Hello, and thanks for your interest in sponsoring an EnchantedMob Project! Our artists work on each project for weeks to bring just a few seconds of each video to life, and we rely on sponsorships to help make our operations possible. This document contains information about the types of brands we are most likely to work with and the preferred terms of an integrated sponsorship.

Brand Preferences:

- + Brands with a family friendly image
- + Brands with a solid track record of sponsoring YouTube Creators
- + Brands with products related to digital tech and/or lifestyles
- + Brands with products relevant to the work we do

Preferred Terms:

- + Quick (3-6 seconds) mention of companies name in a message such as, “This video was brought to you by [Insert Brand]” at the beginning of a music video
- + Detailed explanation of product or service at the end of a music video
- + Written agreement
- + An option to remove the visual portion of the sponsorship 1 year after the music video is published to YouTube

If your brand meets most of our preferences and if our preferred terms are agreeable to you, we would love to hear from you. If we are interested in working with your brand, we will reply as soon as possible.

We look forward to hearing from you!
