Hello, and thanks for your interest in working on an EnchantedMob Game! Our company began on YouTube, and has over 2 million subscribers across three highly successful channels. As artists, we also have a passion for game design. This document contains information about the terms of employment or contracting and what you can expect while working at EnchantedMob, Inc. When applying, please select either the Contractor Application or Employee Application. The main differences between these positions are listed below:

## **Contractor Application:**

- + Work Method: Online
- + Compensation: Lump sum
  - + Negotiated from project to project or task to task
  - + 50% paid when half of the job is complete, and the remaining 50% is paid when the job is fully complete
- + Future Work: Offered based on our studio's needs and your performance

## **Employee Application:**

- + Work Method: In person at our office in St. Louis, MO, USA
- + Compensation: Per hour or salary
  - + Negotiated and set for at least 3 month increments
  - + Paid Bi-weekly (twice per month)
- + Future Work: Future work is expected to be offered and accepted on behalf of both parties

If you're interested in either of these positions, we would love for you to apply. If we are interested in working with you, we will reply as soon as possible.

We look forward to working with you!
